

Turn your roof into a **POWER SOURCE**

- Are energy costs eating up more and more of your profits?
- Would you like to get government rebate dollars to help finance your Solar renewable energy project?
- If the answer is YES, call Pfister at 1-800-367-2207.

- * Reverses your electric meter through net metering
- * Pay for your new roof with money from heaven
- * Free cost and savings studies available

Your Solar powered roof generates immediate savings on your electric bill.
